WELTLADEN-DACHVERBAND

- the Association of Weltläden (World Shops) in Germany represents the **interests of Weltläden** (World Shops) in Germany
- Weltläden (World Shops)
 - specialized fair trade store
 - aim of the work is to contribute to greater **justice in trade** with the countries of the South
- To achieve this goal,...
 1. Weltläden **sell fair trade** products,
 2. take part in **political campaigns** and
 3. provide **information and education** on fair trade issues.

CLIMATE JUSTICE AND FAIR TRADE

The **injustice of the climate crisis**:

- Producer of the climate crisis is mostly the global north,
- BUT from the impacts people from the global south suffer mostly

Manufacturers, producers and farmers are in a precarious financial and livelihood situation.

The idea of fair trade is to pay the farmer's **fair prices**.

With a **social media campaign**, we want to raise awareness.
